

DOMO LOUNGE

DESIGNING OPTIONS | FURNISHING ANSWERS

arcadia

Whether in lobbies, casual meeting environments or touchdown spaces, Domo abounds with possibilities. Lounge chairs with casters or a swivel base make an excellent choice for workgroups—the ever-growing collaborative work style. Opt for tablet and/or power port accessories and Domo becomes the gateway to productive freedom. For added privacy or to create the feeling of a room-within-a-room, arm and back panels provide the key. Yet for all its functionality, Domo is equally pleasing in traditional lounge settings where simply waiting in comfort is all that is required.

PRODUCT SPECIFICATIONS

Arm and armless lounge, love seat and sofa models. Swivel base and mobile lounge chairs also offered as well as lounge/bench seating combinations. Optional multi-functional accessories include rotating tablet, flip-up tablet and side-mount Power Port electrical unit. Versatile tray rests atop seat cushions for table surface convenience.

Back panels for love seat and sofa models available in private (high), transitional (high to low or low to high) and semi-private (low) styles. Arm panels offered in private and semi-private sizes and feature modest slope to match arm design. Panel finish options include veneer, laminate, upholstered and whiteboard.

Metal platform base with 11½" height clearance available in Polished Aluminum as well as Metallic Silver, Metallic Champagne and Graphite powdercoat finishes. Accompanying modular and bench seating, meeting tables, credenzas and occasional tables available.
