ORDERING GUIDELINES:

- » To build tandem configurations, always specify units from left-to-right as facing.
- » Starter units ('-ST') represent the first seating model in a configuration with subsequent modular units building onto them towards the right.
- » Add-On units ('-AO') can only be added next to Starter units or other Add-On units.
- » End-units ('-EU') represent the final seating model in a configuration.
- » Center and corner tables are for inline placement only (cannot start or end a configuration) and for specification purposes, will always come before a Starter unit or after an End unit (i.e. Add-On units cannot be specified next to connecting tables).
- » End tables can only start or end a configuration, therefore they will always come before a Starter unit or after an End unit (i.e. Add-On units cannot be specified next to connecting tables).
- » For Corian arm caps, specify '-CO' in place of '-W' after model number and refer to options below for upcharge.
