DORMIR
SLEEPER SOFA

designed by 5D Studio

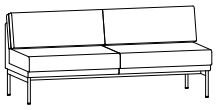

FEATURES

- Sleeper sofa offered in 72" and 78" widths with custom sizing also available.
- Back cushion unfolds to become the sleep surface, with moisture barrier as standard.
- Clean-out between seat and back cushion.
- Upholstered arm and armless models, as well as in combination.
- Corian arm cap option also available.
- Arm features a generous top surface for added support and functionality.
- Available on glides, casters or a mixed configuration.
- Optional storage table mirrors the arm shape and can be specified in white oak or walnut veneer, in addition to Corian selections.
- Power units also available for placement under seat or under storage table.
- Accompanying lounge collection also offered.
- Starting COM list price: $7,383

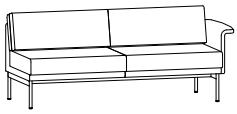

INSIGHTS

Dormir rethinks the patient room sleeper sofa with an understated, more residential nuance. Purposefully built with the comforts of home in mind, it pairs soft lines and layered cushions with practical healthcare features like a moisture barrier, cleanout, and optional storage, supporting the well-being of both patients and their families while maintaining the rigorous durability and infection control standards essential to modern healthcare spaces.
